Dear Investigator Friend:

Please consider joining the Licensed Private Detective Association of RI.

The LPDARI (Licensed Private Detectives Association of Rhode Island) was formed in 1998 by several professional investigators, with the goal of promoting and maintaining the highest ethical practices in the profession of Private Investigations while providing a forum for networking and education. LPDARI is your source for peer advice and investigative resources. We are the only RI group monitoring and affecting legislation locally and nationally!

Our focus is on education and marketing the services of our members. Joining our association includes access to continuing education and conferences (always a great opportunity to network with PI's from others states), valuable tips, tools and resources, a listing on our website, and much more!

We have two membership levels to choose from:

**\$75 Full Member:** For owners or named partners of a PI agency (only full members have voting privileges).

**\$45 Affiliate Member:** For legal professionals and others in allied fields, who support the goals of the investigative industry/ and/or students enrolled in accredited programs in investigations, security and criminal justice.

We meet monthly, so please respond soon if you would like to join or learn more. I may be reached by telephone at (401) 641-5823 or by email; [jn\\_dionne@yahoo.com](mailto:jn_dionne@yahoo.com). Our membership application is also enclosed. I look forward to hearing from you!

Warm regards,

Jennifer Dionne, LPI  
President, Licensed Private Detective Association of Rhode Island
